CHES Examination

Review Study Group - \$250

Fee includes the Packet of Materials – also sold separately – a review of the 7 areas of responsibility, time with experienced and new health education specialists, and snacks.

Participants review best practices for

- Studying for and taking the exam
- Assessing individual/community needs
- Planning effective programs
- Implementing programs
- Evaluating program effectiveness
- Coordinating services
- Acting as a resource person
- Communicating health and health education needs, concerns, and resources

* Content updated to keep up with changes in the field and competencies.

* This material covers the body of knowledge (7 Areas of Responsibility) as described by the NCHEC as tested by the exam, taking this course (or any other course) does not guarantee a passing score.
